

LIKE MOTHER, LIKE DAUGHTER

Our four favourite faces share the beauty secrets they've inherited from their model mothers

GEORGIA MAY JAGGER

Already in huge demand at just 18, Georgia May Jagger works supermodel mother Jerry Hall's signature blonde waves and red lips

My mum taught me a lot about make-up – I used to watch her getting ready to go out. I'd say the red lip has become my signature look, but I really stole it from my mum. She believes all women look great in a certain shade of red. I wear Rimmel's **Colour Show Off Lipstick in Red Fever** [£5.99 (2)], which is a great matte red. Other than that, I generally go for the no-make-up look, just **SPF15 Foundation** [£22 BareMinerals] and Rimmel's new **1-2-3 Looks Mascara** [£7.99* (1)], as you can vary the thickness.

Mum's also passed on a lot of products, especially natural brands. We both like Dr Hauschka's

Rose Day Cream [£20] to wake up the face in the morning, and Jurlique's **Sandalwood Shampoo** [£15 Jurlique.co.uk], which suits our long hair.

I recommend products to her too, like **Moroccan Rose Otto Ultra-Nourishing Body Oil** [£32 Renskinicare.com (3)]. My sister Lizzie and I also like the same things. I used so much of her **White Truffle Nourishing & Conditioning Crème** £50 Philip B, I had to buy her a new one for Christmas! ►

THEODORA AND ALEXANDRA RICHARDS

US GLAMOUR cover star Patti Hansen is now championing her model daughters, Theodora, 25, and Alexandra, 23

Theodora Mum has always encouraged us to take care of our skin. She recommended Tracie Martyn's **Enzyme Exfoliant** [£50 (1)] to me, which I then put Alex on to.

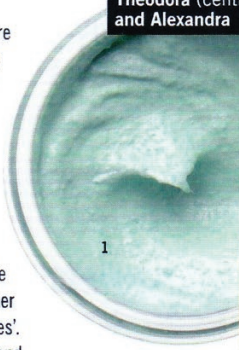

Alexandra Sharing is caring! We all look after our lips between shoots. I use **Smith's Rosebud Salve** [£6.95 Rosebud Perfume Co].

Theodora I love Lucas's **Papaw Ointment** [£7.99 for two 25g tubes] because you can use it on everything.

Alexandra The Richards women are all big fragrance lovers, too. One favourite is **Coco** [£56.20 for 50ml eau de parfum Chanel (2)] – a true classic. Mum used to do all her own make-up on shoots, so she taught us a lot of the 'rules'.

Theodora Like never do dark eyes with dark lips. Alex and I tend to do smoky eyes, with Mac's **Eye Kohl** [£12.50 Maccosmetics.co.uk] – my favourite shade is **Minted**, while Alex prefers **Smolder**.

AMBER LE BON

Miss Le Bon, 20, has learnt her trade from the best – top international model (and her mother), Yasmin

My mum always told me if I was old enough to use make-up, I was old enough to care for my skin properly. I always end up using whatever face cream Mum's using – but deny it if she asks! At the moment, it's **Anew Rejuvenate Day Revitalizing Cream SPF25** [£18 Avonshop.co.uk]. I also always carry **Vitamin E Nourishing Hand Treatment** [£38 Jomalone.co.uk], **Lash Extension Effect Mascara** [£10.99 Max Factor] for my smoky eyes and my perfume balm, **Crazylibellule And**

The Poppies's **Les Divines Alcôves** [£17.95 for a set of three (4)]. My hair is really straight, so I use

products to add volume. I use **Pantene Pro-V Volume & Body Shampoo and Conditioner** [£2.19 each (3)], which makes it easier to style. ☺
