PAT McGRATH

HERO PRODUCT Colour Collections
Lipstick in Midnight Plum £7.99 Max Factor
THE SHOWS Issa, Christian Dior
and John Galliano

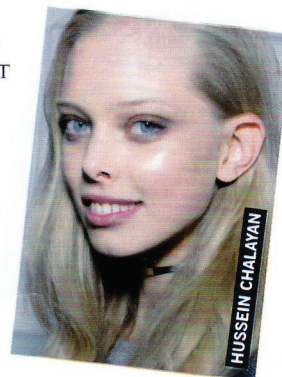

"I'm a product junkie, always trying out new colours, so my favourite lipstick changes depending on the season. Right now, I'm in love with Max Factor Colour Collections Lipstick in Midnight Plum. I love deep wine colours for AW10."

GUCCI WESTMAN

HERO PRODUCT
PhotoReady
Foundation
£12.99 Revlon
THE SHOWS
Hussein Chalayan,
Antonio Berardi
and Richard Chai

"I used this at many shows for polished, flawless but still radiant skin. The key is in application – I used Revlon's Foundation Brush [£10.99] for a truly perfect finish."

JANE RICHARDSON

HERO PRODUCT
Larger Than Life
Volumising Mascara £18
Narscosmetics.co.uk
THE SHOWS

Marc Jacobs, 3.1 Phillip Lim
and Thakoon

"There's nothing like layers of mascara to give the eyes depth – from just enough to define the eye at Thakoon to a modern, sexy look with up to seven layers of mascara at Marc Jacobs. Push into the lashes right at the roots and smudge into the lash line to make it look worn out, like it's been on all night."

Eyeshadow in

Copperplate £12

Maccosmetics.co.uk

THE SHOWS Jonathan

Saunders and Missoni

"Copperplate is a cold brown with a velvety texture that mimics the tones around the eye to create a mood, as opposed to a statement. It pops the eye colour perfectly."
