

# Bronze Age Beauty

Get that sunkissed Malibu look, even in Margate

Copper load of Charlize's sexy metallic eyes

Hilary gives her bone structure a helping hand

Eva Mendes: Bronzed boobs and a silver frock? Ore-some

## On your lids

If the thought of a Tango-face leaves you quaking in your flip-flops, go for copper tones on your eyes instead, like Charlize. It suits all eye colours.

£20 Stila Eye Shadow Trio in Mazatlan Blend all three for a deep colour

£15 Pop Lid Bronzer Use the whole spectrum for an exotic sheen

£11 Urban Candy 24/7 Glide-On Eye Pencil in Lucky Try a clean line on your top lid or smudge the colour along your lower lid

## On your cheeks

Our spies tell us that Hilary Duff tops her bronzer with a generous helping of Benefit Moon Beam to give her cheeks a sexy sheen.

£38 By Terry Bronze-Expert Concentrate colour on the apples of your cheeks

£15.50 Benefit Moon Beam Dab a little on the tops of your cheeks for a sexy shine

£3.99 Collection 2000 Bronzing Pearls Dust over the areas which are hit by the sun, like your nose, cheeks and chin

## On your décolletage

A gradual tanner or bronzing lotion helps chisel your limbs and remove that Brit pallor. Swirl bronzer across your shoulder blades to look toned.

£15 Biotherm Summer Source Exfoliate at least 24 hours before applying

£28 Sue Devitt Liquid Gold Coast Bronzing Glow Build colour gradually for a more natural look

£35 Lancôme Star Bronzer Compact Bronzing Powder & Blush Use a large, round brush to blend across your collarbone
